

Step-By-Step Requirements:

Audio File: Please provide your track in either mp3 or wav file format. If you have separate stems like drums, bass, vocals etc., feel free to send those too. However, a single audio file works fine as well.

Beats Per Minute (BPM)

To ensure proper alignment in my DAW, I need to know the tempo of your song.

Key: Knowing the key of your song will help speed up the process. If you're unsure, don't worry. I can figure it out on my own.

Vision: I'd love to hear what you have in mind for your track. It's always helpful if you can provide references or any other specific ideas you have.
